FOR EVER di D. PAIELLA - R. GIARDINI - A. MARANGONI - C. VECCHI

Intro Baby, for ever ever baby... Baby, for ever ever togheter.

1a Baby Jane, don't leave me hanging on the line
I knew you when you had no one to talk to
Now you're moving in high society
Don't forget I know secrets about you
I used to think you were on my side
But now I'm no longer sure
I wish I knew what I know now before

Refrain 1 When I give my heart again I know, it's gonna last forever
No one tell me where or when I know, it's gonna last forever.

Orchestra..... Baby, for ever ever baby...

2a Baby Jane, don't it make you feel sad
Just when I thought that we were winning
You and I were so close in every way
Don't time fly when you're loving and laughing
I've said goodbye so many times
The situation ain't all that new
Optimism's my best defense
I'll get through without you

Refrain 2 When I give my heart again I know, it's gonna last forever
No one tell me where or when I know, it's gonna last forever.
I won't be that dumb again I know, it's gotta last forever
When I fall in love again I know, it's gonna last forever

*Coro Baby, for ever ever baby... for ever ever baby...
for ever ever... togheter (ripete 4 volte)*

*The lesson learned was so hard to swallow
But I know that I'll survive
I'm gonna take a good look at myself and cry... yeah...*
