

STRANGER NOW

CUMBIA / LATIN SAMBA

Testo e Musica di F. DEL GAUDIO - A. FERRARI - D. CAVANNA

(1° strofa) Stranger now, you're forever a stranger now
my speech is almost now, but you're forever mine...
Tell me how, somehow we are strangers now
my speech is almost now, but you're forever mainstream now...

(Ritornello 1) **We had it all in our hands, but now it's over
we had the moon and the stars, but now it's over
we'll never know if we can, make it together
you're a stranger now.**

(2° strofa) Stranger now, you're forever a stranger now
my speech is almost now, but you're forever mine...

Orchestra

time for the sea and the sky, now and forever
start to believe we can be, we are together now...**
